

NORDIC

EUBNCORVA

WEIGHT	100 Kg
DIMENSIONS	120 cm width 47 cm large 77 cm height
FINISHES	NATURAL MATE PULIDO
COLORS	

NORDIC

Nordic is an urban bench that arises from a thorough research of materials associated to public space, concrete and wood. The design was achieved through the use of UHPC and the incorporation of fiberglass to replace the steel structure, thus optimizing performance and resistance allowing for the finesse of the design to be respected. The wood laminate work permeates to the texture of bench, providing a glimpse into the manufacturing process.
