96" x 20" x 20"

## FINISHES

SMOOTH, ACID WASH &  
LIGHT KEYSTONE TEXTURE.

## COLORS

## COLORADO

The Colorado design incorporates empty mass on the sitting surface to allow efficient and quick water evacuation. The piece has the particularity of using the lack of mass playfully in the design language. It is an element abstract in size considering it helps provide form to the space it creates. The small version of the Colorado gives presence even to those small spaces that it helps bring together.
